# THE DESCENDANTS OF JONATHAN WILLIAMS THE SECOND

To All Members of

The Williams-Barnard-Crumpacker Clan:

When the booklet, "Sidelights on Williams Family History," was written five years ago, an attempt was made to list, in order, the descendants of the second Jonathan Williams.

On the whole the attempt was successful and was well received, though a few regrettable errors in dates crept in, for which this compiler now apologizes.

The present revision of this Williams family record has been lovingly made. All known changes—deaths, marriages, births, etc.—up to June 1, 1945, have been included.

Many of the young men—and a few of the women—have been or are in uniform in World War II. Where known, the names of such persons have been marked in the record by a star (\*).

This revised record is being sent, so far as is possible, to all persons who received copies of the original "Sidelights" five years ago, and to those who have established new families since that time. It reaches you with the compliments and regards of the compiler—

CARL WILLIAMS.
